1) 167) The report of the Fuel Committee is for perusal. The several recommendations of the Committee have been summarised in the foregoing ~~proposals~~ paragraphs. It will be seen therefrom that action on the recommendations will have to be taken in the several branches of the Secretariat. These recommendations will have to be examined in detail and orders passed thereafter As this will take some time, it is suggested that the report of the Committee may, in the first instance, be recorded with the observations that the recommendations of the Committee are under the consideration of Government and orders on each recommendation will issue in due course. The ~~remarks~~ thanks of the Government may also be conveyed to the Committee. After the Govt. Order is issued, extracts of the report may be sent to the concerned branches for further action.

Bangalore

SIR,

I am directed to state that the Committee constituted by Government to formulate a coordinated long term plan to place the future supply of fuel in the State on a satisfactory basis, has recommended the utilisation of sewer gas for fuel purposes in place of firewood in Bangalore. An extract of its recommendation is noted below:-

Sewer Gas

The utilisation of Sewer Gas is quite feasible, as this system, installed in modern bigger Cities in the United Kingdom and at Bombay in India is working quite satisfactorily. The installation of Sewer Gas System in Bangalore could be adopted for the production of the gas by the City Improvement Trust Board who are putting up Chambers at Vrishabhavathi Valley for the underground sewage of a portion of Bangalore. The matter should be implemented jointly by the City Improvement Trust Board and the Bangalore Corporation without further delay. The Secretary, Local Self-Government Department may be requested to pursue the matter till the scheme is finally implemented.

2. I am to request you to implement the suggestions of the Committee in consultation with the Commissioner, Corporation of the City of Bangalore when the Vrishabhavathi Valley Scheme is taken up for execution.

3. A copy of this letter is also being sent to the Commissioner, Corporation of the City of Bangalore, for information.
